EWFCCA

Eastern Washington Family Child Care Association's Purpose...to support and mentor providers and promote quality child care throughout Eastern Washington.

Eastern Washington Family Child Care Association is a...non-profit, 501(c)(3) organization comprised of licensed and exempt providers and child care advocates.

Eastern Washington Family Child Care Association provides...a place where family child care providers can meet on a monthly basis to receive support and training opportunities.

Eastern Washington Family Child Care Association...is strongly connected to the local community and other professional organizations and represents the needs of Family Child Care providers on many statewide policy making committees and groups.

Eastern Washington Family Child Care Association..meetings are every third Monday of each month (except on a holiday—then meetings are held on the forth Monday and not in the months of July or August)
